High School Exhibition

ble to the teacher and scholars. Empire
Hall was filled to its utmost capacity, and somewhat more. The stairway and passages were crowded nearly the whole evening with people principally boys, who, we are sorry to say, not being able to hear the scholars, got up some noise and confusion among themselves, which was not in the bills. The exercises occupied some three hours, and it can hardly be expected that an audience composed of men, women and children, of all ages and sizes, (especially small sizes,) packed so closely as scarcely to be able to move a limb, and many standing the whole evening, should remain perfectly quiet during so long a time.—
The errowded hall, was a manifestation in itself, of the interest which is felt by

dollars. In addition to the boxes of muskets and rifles shipped to Philadelphin and New York, it is said that large quantities of arms, powder flasks, sabres, &c., large quantities of arms, and is designed for read state that the read and the extended course, tank that a certain particles, and that a certain store has been dealing large ly in the same articles.—

This system of rescality and plunder has been robbed. Public suspicion points to various individuals in this most thorage and there is no calcularing the extent to which the flower and Hall was filled to its utmost capacity, kets and rifles shipped to Philadelphia in itself, of the interest which is felt by all ages and classes, in the prosperity of the schools, and as such it should be viewed, and the discomfort borne patient-

warren Brass Band kindly gave its a d, and discoursed excellent music. An ex ment saloon. Upon returning he discoved that his overcoat had been stolen.—
The company declined to pay for it. He ompany declined to pay for it. He washington City, Harrisburg, Tranton, Albany, Harrisburg, H by the scholars, were given. These, intermingled with declamations, dialogues, reading of papers, &c., constituted the programme for the evening. We cannot particularize concerning the performance of the different scholars, where all
